

Welcome to Zachary High where everyday is a Great Day to be a Bronco!

We are so glad that your child is a student at Zachary High School. The teachers, staff, and I take great pride in helping all students succeed. The mission of our school is to “motivate every student to achieve more than he/she think they can.” We will accomplish this by having high expectations for all students, providing a rigorous and relevant curriculum, and creating a positive atmosphere for students and teachers. The support and involvement of our parents is also critical to the success of our students. We must work together with the common goal of preparing students to be productive and successful citizens. We look forward to developing a relationship with you and your child; please do not hesitate to contact me if I can help you in any way. My door is always open.
