

# Neil Weiner's Youth Football Camp

## THANK YOU!

Our Zachary Community supports their children like no other! Our family is truly blessed to live in a community like our's.

This camp serves many purposes but our number one goal is to teach fundamentals of football in a way that will keep young players interested in our incredible sport.

***GOD BLESS & GO BRONCOS!***

## SESSION I

8:30am-11:00am (Ages 5-10)

*\*AM session puts the “fun” in Fundamentals.*

**Combine Testing**—Each camper will be tested in the 40-yd dash & vertical jump, including weight and height measured. This information will be given to each participant at the end of the camp.

**Defensive Fundamentals**—Each player will learn the basic stance and fundamentals of each defensive position.

**Offensive Fundamentals**—Each player will learn the basic stance and fundamentals of each offensive position, including snapping from the “shotgun.”

**Punt, Pass, & Kick Competitions**—Every session will end with a competition for the farthest punt, pass, or kick. Winners for each age group.

**What to bring:** No helmet is required. All campers should wear a T-shirt, shorts, socks, and cleats/tennis shoes. Plenty of water and PowerAde will be provided but you may bring a water bottle if you wish.

**Medical:** We will have members of our Athletic Training Staff on site during camp hours.

## SESSION II

5:00pm—7:30pm (Ages 8-12)

*\*PM session for more focused instruction*

We want to provide a more “intense and focused” fundamental camp for our more experienced football players in our community.

While not a requirement, players that have participated in an organized tackle football program should attend this session.

We will not use shoulder pads and helmets but will still teach the proper technique for tackling and blocking.

We will also have our combine testing, along with our Punt, Pass, & Kick Competitions.

We will conclude every session with “7 on 7” passing games.

By camps end all players will have learned basic fundamentals for all positions: offense, defense, and special teams.
